MARBELLA / ROYAL TENNIS CLUB / 15 — 20 MAY

Dear Sirs !

The team of the organizers of the Intecracy Open Marbella Tour I expresses special gratitude to **HOUSE OF TIME FANCY SUITES VIENNA** for the help and support in the organization of the international tennis tournament for amateurs, which took place from May 15 -20 in ROYAL TENNIS CLUB MARBELLA.

The tournament was attended by 67 people from more than 8 countries. The tournament was accompanied by a bright entertainment program, all participants received memorable gifts and the brightest moments were in the frame of the photographer who was present all the days of the tournament.

A distinctive feature of this event was the presentation of the mobile application PALMS for players of amateurs and organizers of tennis tournaments.

Your participation has made this tournament a bright event in the life of Marbella and all tennis lovers on the Costa del Sol.

We are looking forward for future mutual collaboration and upcoming tournaments in Marbella.

Yours faithfully,
CEO of Intecracy Open
